1.) All packages are subject to a non-refundable, initial deposit which is 50% of the total cost of the package selected. This policy exists to protect the designer as many hours can be spent on a design before finalization and sometimes the customer chooses to exit the design process early due to extenuating circumstances.

2.) Rush requests can be made through the Design Brief submission form however there is a 15% upcharge due with the initial deposit for these requests.

3.) Packages include a set number of concepts and edits. Concepts are based on the brief you submit so be detailed in your request.

4.) Edits are not concept overhauls. Edits are small, simple changes or tweaks made to the concept itself.

5.) Extra edits may be purchased for 10% of the total cost per edit added to the total at the final payment.

6.) All orders are subject to +1% of the full cost for paypal transactions, due at the time of the initial deposit.

7.) If you have any questions about these packages and/or pricing, please feel free to contact me.
